

## Use of Pocket Knife

Dear Trading Post Director:

I give \_\_\_\_\_ permission to use a pocket knife at Camp. I understand that he has to complete the pocket knife safety course at camp. When he has finished the course and has his "Whittlin' Chip" card, he may purchase a pocket knife at the trading post if he wants to. His Den Leader will keep the knife and only give it to him at appropriate times when the den is working on handicraft items needing the use of a pocket knife. If he misuses the knife, the den leader will cut one corner of his card off at a time. When all four corners are cut off, the den leader will give the knife to the Camp Director for safe keeping. I will pick it up at the end of camp.

Thank you,
